

1. Click the Enroll in Online Banking link on the home page of www.starbank.net

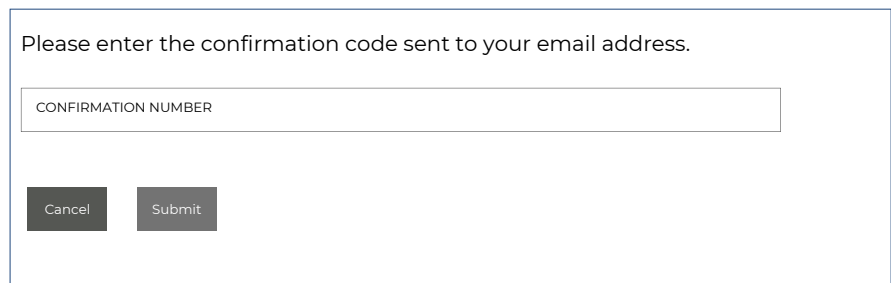

2. Fill in the information requested on the Enrollment screen.

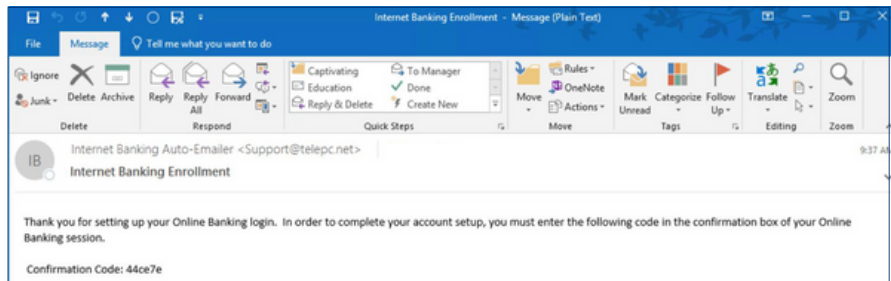

3. If there are errors in the information entered above, this message will appear. (See step 8)

4. If the info above is accepted, a code will be sent to the email registered during enrollment.

5. Here's an example of what the email will look like.

6. Next, you will need to set up a password.

Passwords must contain a minimum of 6 to a maximum of 15 characters
Passwords may not be the same as the previous password.

NEW PASSWORD

CONFIRM PASSWORD

Cancel Submit

7. Once your password is set, you can login!

Your password has been set. You may continue on to Online Banking.

OK

8. If your account has gone into review, you'll receive an email after the bank approves the account.

Thank you for registering your Bank login. Your registration has been reviewed and approved. The next time you login, use the User Name (or customer number if a user name was not provided) and Password you provided during enrollment. This information is case-sensitive. For security purposes, please do not share your User Name or Password with anyone.
